

# Dears at DANDRITE:

Young Dandrite would like to invite you to our first **picnic style social event** of the season after a well-deserved vacation!

Join us for an afternoon of **outdoor fun and hygge in the university park**. A variation of games will be available, including kongespil, stigegolf, frisbee and football! YoDa will provide some snacks and the possibility of buying soda and beer, however, everyone is more than welcome to bring their own. In case we get really hungry, we can order take-away pizza.

In case of bad weather, we have foreseen the Skou canteen for some indoor fun including quizzes 😊

We look forward to seeing you all in person again!

Your YoDa organization team
